I am a senior member of Nova Energy Contract Company (NECC) responsible for awarding and execution of contracts / payment approval. I have in my possession an outstanding contract funds value US\$3,150,640.00 which arose from over invoicing from various contracts awarded to foreign contractors.

Early last year, contracts were awarded to BSG Engineering and Thetford STP for supply and delivery of equipment at the Ekurhuleni's site, the projects was successfully executed by the contractors/supplier and the contract sum has been paid to them leaving the excess balance of (Three Million, One Hundred Fifty Thousand Six Hundred and Forty United States Dollars) pending for payment. Now, I am in search of a foreign individual who will assist me to claim the said funds. As the code of conduct, the Republic of Civil Service does not allow us to operate a foreign account hence I am seeking your assistance to claim the funds for us to share together.

Please note that, it does not matter whether you/your Company supply equipment, I will prepare all vital documents that will assist you or your company to claim the funds, a transfer of powers will be secured in favour of you/your Company. Your area of specialization is not a hindrance to the successful execution of this transaction.

I am at your disposition to entertain any questions from you in respect of this transaction and I believe you will show utmost interest, therefore kindly consider this and get back to me with your **Full Name/Telephone** as soon as possible for more details and further deliberations.
